1. I understand that the ARNI Institute Functional Rehabilitation & Exercise Training After Stroke Qualification enables me to:

1. consider the latest therapy evidence base, from initial trauma to rehabilitation at home and understand the latest neurological developments in stroke rehabilitation research.
2. learn the latest reality-based strategies developed for treating and training stroke survivors in the clinic and community.
3. Apply to become an ARNI Associate Instructor and start to receive direct referrals in my area.

2. I understand that the ARNI Functional Rehabilitation & Exercise Training After Stroke Qualification, provided by TB Education, is designed to enhance knowledge and skills in the area of stroke rehabilitation and grants the successful completer the ARNI FRETTS Qualification Certificate.

2. I understand that the ARNI Institute Functional Rehabilitation & Exercise Training After Stroke Qualification is Accredited by Middlesex University at FHEQ Level 4 (HE Level 1) granting 30 credits with separate Certificate granted for the successful completer. You will also be granted 300 CPD points by the CPD Certification Service.
