Welcome to the ARNI 2 day Conference at the prestigious Royal Society of Medicine, Wimpole Street, London, on 28th May and 31st May 2012.

The Conference theme is **Rehabilitation from Stroke** and as such seeks to cover as many of the major issues of concern across the whole stroke care pathway as possible.

The Conference is for friends of ARNI, the stroke survivors we have trained and still do train, its instructors... and for colleagues from all areas of the stroke care pathway.

You will be able to hear and speak with some of the capital's

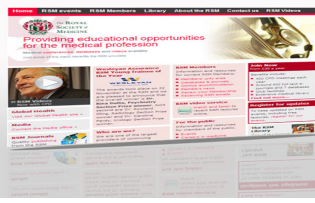

most distinguished researchers and practitioners in the areas of brain repair and rehabilitation. See their profiles online.

You can come for one day or both days, but *places are very limited*. We have just seventy places to allocate so places have to be allocated on first come, first served basis. Tea/coffee and biscuits served during morning and afternoon. We are really looking forward to seeing you, so please apply immediately!
